

Welcome! We are so glad you are considering Infusion EPIC Internship this year. Below is a description of content covered and practicums you will be involved in. There will be several quizzes, short papers, and writing assignments all with the goal of furthering your learning and ability to share what you have learned. Dr. Dave Park, who is a gifted communicator, will help you become a better speaker whether sharing with a small group or a church body. Each intern will be assigned a mentor from our senior staff who will help you with any questions or concerns throughout the year. All the materials listed below will be provided for you. There are one or two other books that might be recommended during class, but won't be required.

Life of Christ Course Description:

A comprehensive study of the earthly life and ministry of the Lord Jesus Christ. The course focuses on a thematic and chronological view of Christ's life and ministry, providing an interpretation of key events and discourses and their practical application.
